

## 1. Personal Information

Full Name: Sim Tick Ngee

NUS Email: [rvrhead@nus.edu.sg](mailto:rvrhead@nus.edu.sg) (RVRC); [sim.tn@nus.edu.sg](mailto:sim.tn@nus.edu.sg) (Psychology)

## 2. Current Appointment

Academic Title: Associate Professor

Department/Faculty: RVRC; Psychology/Faculty of Arts & Social Sciences

## 3. Education

PhD in Educational Psychology, University of Wisconsin-Madison, 1997

## 4. Teaching Experience at RVRC/NUS

PL4205 Developmental Processes (Department of Psychology)

## 5. Research Interests (60-75 words)

Tick Ngee's research interests encompass psychosocial development in adolescence and emerging adulthood, with a focus on how individuals navigate this critical period of growth. By extension, he examines issues related to parenting, particularly the influence of family dynamics and caregiving practices on youth well-being. His work also explores the role of religion in shaping the identities and values of young people, alongside investigations into how schooling and educational environments affect their broader developmental outcomes.

## 6. Selected Awards/Publications (Max 3)
